<b>CAMP OPERATOR</b>			
If your youth camp facility has an on-site water supply and/or sewage disposal system, annual approval from the local environmental health department is required. <b>Complete the information in this section and forward the form, 90 days before the camp operates, to the appropriate local environmental health department on page 2.</b>			
If your camp operates at a school (public or private) or a government owned building or park that is used by the public more than 170 days per year, use the Building Safety form, instead of this form.
