Maryland Cancer Collaborative Member Agreement Form

The goal of the *Maryland Cancer Collaborative* is to work with individuals and organizations throughout the state to implement the Maryland Comprehensive Cancer Control Plan. In addition, the Collaborative will bring together existing groups and new partners from across the state to collaborate on a common goal: reducing the burden of cancer in Maryland.

STRUCTURE

Steering Committee

- Comprised of current and past chairs of committees/workgroups
- Facilitate communication within the Maryland Cancer Collaborative
- Facilitate communication with the community - act as the 'face' of the Maryland Cancer Collaborative

Workgroups

- Five active workgroups: Tobacco Cessation Support to Providers; HPV-Cancer Awareness; Communications - Lesser Known Cancer Risk Factors; High-Risk Population Community Outreach; and Cancer Survivorship Education
- Each workgroup has a leader and/or co-leaders
- Each workgroup reviews relevant chapters in the Cancer Plan and determines priorities
- Workgroups create action plans for their selected priorities and implement supporting activities
