Fifth Current Concepts in the Multidisciplinary Management of Colorectal Cancer

September 22, 2011

Presented by:
Albert H. Owens, Jr. Auditorium
The Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins

This activity has been approved for AMA PRA Category 1 Credits™.
Description

Colorectal cancer is one of the most common types of cancer in the United States. It is the third most common type of cancer and the third leading cause of cancer-related death in the Western world. In 2010, there were an estimated 142,570 new cases of colon and rectal cancer, with 51,370 deaths due to colon and rectal cancer combined. It is, however, one of the most potentially curable of gastrointestinal cancers. Screening is vital to prevention and should be a part of routine care for adults over the age of 50 who are at average risk. High-risk individuals (those with previous colon and/or rectal cancer, family history of colon and/or rectal cancer, inflammatory bowel disease, or history of colorectal polyps) require careful follow-up and, if necessary, screening prior to the age of 50. There have been many new discoveries in this disease in recent years and management options have evolved significantly. This course will focus solely on colorectal cancer and will address important current concepts in the multidisciplinary management of the disease. It has been carefully organized to foster interaction between faculty and participants and will provide a venue for discussion so that physicians are able to diagnose and treat their patients more effectively when returning to their practice.

Who Should Attend

This activity is intended for gastroenterologists, surgeons, medical oncologists, radiation oncologists, radiologists, pathologists, nurses, nurse practitioners, physician assistants, social workers and other healthcare professionals involved with the diagnosis, treatment and follow-up of patients with, or at risk for, colorectal cancer.

Objectives

After attending this activity, the participant will demonstrate the ability to:

- Summarize current trends in screening and prevention
- Define surgical therapy of primary disease, including laparoscopy
- Differentiate between the different types of adjuvant therapy
- Identify recent advances in chemotherapy
- Discuss management of hepatic metastases
- Summarize management of rare tumors, including carcinoid and appendiceal cancers
- Discuss cytoreduction and intraperitoneal chemotherapy

ACCREDITATION STATEMENT

The Johns Hopkins University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The Johns Hopkins University School of Medicine designates this educational activity for a maximum of 8.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

OTHER CREDIT

American Academy of Nurse Practitioners

American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

American Academy of Physician Assistants

American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME. Physician assistants may receive a maximum of 8.5 hours of Category 1 credit for completing this program.

American Nurses Credentialing Center

American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

Social Workers

The Maryland Board of Social Work Examiners certifies that this program meets the criteria for 8.5 credit hours of Category 1 or 8.5 CEUs of continuing education for social workers and associates licensed in Maryland. The Johns Hopkins University School of Medicine is an approved sponsor of the Maryland Board of Social Work Examiners for continuing education credits for licensed social workers in Maryland.

Contact Hours for Non-Physicians

The Johns Hopkins University has approved this activity for 8.5 contact hours for non-physicians.

POLICY ON SPEAKER AND PROVIDER DISCLOSURE

It is the policy of the Johns Hopkins University School of Medicine that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The Johns Hopkins University School of Medicine OCME has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made in the activity handout materials.

General Information

REGISTRATION

7:00 - 7:45 a.m. • Albert H. Owens Jr. Auditorium

LOCATION

Albert H. Owens, Jr. Auditorium
David H. Koch Cancer Research Building
Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins
1650 E. Jefferson Street
Baltimore, Maryland 21231

The street level entrance to the Albert H. Owens, Jr. Auditorium is via the Bunting Blaustein Cancer Center lobby located on Jefferson Street, west of Broadway. Directions and campus parking information are available on our website under the contact and travel section at www.HopkinsCME.edu. The closest garage is the Caroline Street Garage, which is located off of Caroline Street between Monument Street and Orleans Street (Route 40). Handicapped parking is also available in the Caroline Street Garage. Johns Hopkins is smoke-free.

FEES

REGISTRATION CUT-OFF DATE: September 16, 2011

Methods of Payment: Payment by check or credit card must accompany the registration form prior to the activity. On-site payments by credit card only. Foreign payments must be by credit card or with a U.S. Dollar World Money Order. The registration fee includes instructional materials, continental breakfast, refreshment breaks and lunch.

Physicians

Residents*/Fellows*/Nurses/Nurse Practitioners*/Allied Health Professionals ........................................... $ 100

*with verification of status

You will receive a confirmation by e-mail if you have provided your e-mail address. Otherwise confirmation will be sent by mail. If you have not received it by September 16, 2011, call (410) 502-9634 to confirm that you are registered. Certificates of attendance will be processed by November 7, 2011.

The Johns Hopkins University reserves the right to cancel or postpone any activity due to unforeseen circumstances. In this event, the University will refund the registration fee but is not responsible for travel expenses. Additionally, we reserve the right to change the venue to a comparable venue. Under such circumstances registrants will be notified as soon as possible.

LATE FEE AND REFUND POLICY

A $50 late fee applies to registrations received after 5:00 p.m. EST on September 16, 2011. A handling fee of $50 will be deducted for cancellation. Refund requests must be received by fax or mail by September 16, 2011. No refunds will be made thereafter. Transfer of registration to another Johns Hopkins conference in lieu of cancellation is not possible.

OUTCOMES SURVEY

An outcomes survey will be sent to all physician attendees within three months post activity to assist us in determining what impact this activity had on the attendee’s practice.

EMERGENCY CALLS

On the day of this activity only, September 22, 2011, direct emergency calls to the Hopkins registration desk, (410) 502-2934. Messages will be posted for participants.

AMERICANS WITH DISABILITIES ACT

The Johns Hopkins University School of Medicine fully complies with the legal requirements of the ADA and the rules and regulations thereof. Please notify us if you have any special needs.

HOTEL AND TRAVEL INFORMATION

Participants are responsible for making their own travel and lodging arrangements. Many hotels in the Baltimore Inner Harbor and Harbor East areas offer a special rate for Hopkins patients and guests. A list of recommended hotels is available on the CME website www.HopkinsCME.edu under the Contact and Travel Information section.

ACTIVITY EVALUATION

An activity evaluation form will be available to attendees to evaluate each session and each speaker’s presentation, as well as to identify future educational needs.

OUTCOMES SURVEY

An outcomes survey will be sent to all physician attendees within three months post activity to assist us in determining what impact this activity had on the attendee’s practice.

EMERGENCY CALLS

On the day of this activity only, September 22, 2011, direct emergency calls to the Hopkins registration desk, (410) 502-2934. Messages will be posted for participants.

AMERICANS WITH DISABILITIES ACT

The Johns Hopkins University School of Medicine fully complies with the legal requirements of the ADA and the rules and regulations thereof. Please notify us if you have any special needs.
Program

7:00 - 7:45 Registration and Continental Breakfast
7:45 - 8:00 Welcome and Conference Goals
Michael Choti, MD, FACS
8:00 - 8:30 Update on Epidemiology and Screening of Colorectal Cancer
Francis Giardiello, MD
8:30 - 9:00 Molecular Genetics and Biomarkers in Colorectal Cancer
Bert Vogelstein, MD
9:00 - 9:30 Advances in Colonoscopic Approaches to Polyps and Early Colorectal Cancer
Mouen Khashab, MD
9:30 - 10:00 Laparoscopic Resection for Colorectal Cancer: Is It Really Better?
Jonathan Efron, MD, FACS
10:00 - 10:15 Refreshment Break
10:15 - 10:45 Adjuvant Treatment for Stage II/III Colon Cancer: Clinical Trial Update
Luis Diaz, MD
10:45 - 11:15 What’s New in the Treatment of Early Stage Rectal Cancer
Elizabeth Wick, MD, FACS
11:15 - 11:45 Neoadjuvant Chemoradiation for Rectal Cancer: Is More Better?
Joseph Herman, MD, MSc
11:45 - 12:15 Case Presentations
Jonathan Efron, MD, FACS, Susan Gearhart, MD, FACS, Joseph Herman, MD, MSc, Elizabeth Wick, MD, FACS
12:15 - 1:45 LUNCH AND PANEL DISCUSSIONS
The Nurse’s Role in the Treatment of Colorectal Cancer
Marybeth Blom, RN, NCIM, Elizabeth Fisher, RN, MA, BSN, CWOCN, Maura Kadan, RN, BSN, MSN, OCN, Kathleen Potter, RN, BSN, COCN, Grace Ramaiah, NP, Eden Stotsky-Himelfarb, RN, BSN, Tarn Warczynski, NP
The Physician’s Role in the Treatment of Colorectal Cancer
Nilofer Azad, MD, Michael Choti, MD, FACS, Luis Diaz, MD, Joseph Herman, MD, MSc, Mouen Khashab, MD, Timothy Pawlik, MD, MPH, FACS
1:45 - 2:15 Systemic Therapy for Metastatic Colon Cancer: Sorting Through the Options
Nilofer Azad, MD
The Evolving Role for Surgery in Metastatic Colorectal Cancer
Timothy Pawlik, MD, MPH, FACS
Chemotherapy Use for Resectable Hepatic Metastases: Before or After?
Michael Choti, MD, FACS
2:15 - 2:45 Case Presentations
Nilofer Azad, MD, Michael Choti, MD, FACS, Timothy Pawlik, MD, MPH, FACS
Refreshment Break
2:45 - 3:15 Management of Rare Tumors: Carcinoid and Appendiceal Cancers
Kenzo Hirose, MD, FACS
Role of Cytoreduction and IP Chemotherapy for Peritoneal Metastases from Colorectal Cancer
Nita Ahuja, MD, FACS
3:15 - 3:45 Case Presentations
Nilofer Azad, MD, Michael Choti, MD, FACS, Timothy Pawlik, MD, MPH, FACS
3:45 - 4:00 Adjourn – Please complete and return the Evaluation and Credit Report Forms.
4:00 - 4:30 Management of Rare Tumors: Carcinoid and Appendiceal Cancers
Kenzo Hirose, MD, FACS
4:30 - 5:00 Role of Cytoreduction and IP Chemotherapy for Peritoneal Metastases from Colorectal Cancer
Nita Ahuja, MD, FACS
5:00 Adjourn – Please complete and return the Evaluation and Credit Report Forms.

The Johns Hopkins University School of Medicine takes responsibility for the content, quality and scientific integrity of this CME activity.

This schedule is subject to change.

ACKNOWLEDGEMENT
Applications for commercial support from health care related industries are pending. A complete list of contributors will be provided in the syllabus.
