Comparison of Jurisdiction Hospitalization Rates* for Asthma with the Maryland State Average for Black Adults Ages 18+, 2006

Legend
- Rate significantly lower than Maryland average
- Rate not significantly different than Maryland average
- Rate significantly higher than Maryland average
- Insufficient number of events**

Data Source: HSCRC, Maryland Health Care Commission, West Virginia Health Care Authority, Pennsylvania Health Care Cost Containment Council
Prepared by: DHMH, Center for Maternal and Child Health
Hospitalizations of Maryland residents in the District of Columbia, Pennsylvania, and West Virginia are included.
*Rates are shown on Table 15: Asthma Hospitalization Rates among Adults Ages 18+ by Race, 2006.
**Rates based on <20 events in the numerator are not presented since such rates based on small numbers are unreliable.
