INTRODUCTION

WHAT IS WIC?

The Special Supplemental Nutrition Program for Women, Infants and Children (WIC) is a nutrition program for pregnant women, breastfeeding mothers, postpartum mothers, infants, and children under five years old. WIC participants must have a family income that is less than 185% of the poverty level and have health problems that can be improved through good nutrition.

The foods WIC provides include:

- Baby foods – fruits and vegetables for all infants and meat for exclusively breastfed infants
- Beans
- Canned tuna, salmon, and sardines for some women
- Cereal
- Cheese
- Eggs
- 100% fruit juice
- Fruits and vegetables (fresh, frozen, canned)
- Iron fortified infant formula
- Infant cereal
- Milk
- Peanut Butter
- Soy Milk
- Tofu
- Whole grain bread, brown rice, whole wheat or soft corn tortillas

WIC also refers participants to health and social service programs and provides information on good eating habits to help people be healthy and eat well.

The United States Department of Agriculture (USDA) funds WIC, which is managed by the Maryland Department of Health, Prevention and Health Promotion Administration. WIC is administered at the local level by local WIC agencies such as health departments and community health centers that operate throughout the State of Maryland.

WIC is different from the Supplemental Nutrition Assistance Program (SNAP) or Food Supplemental Program (FSP) because participants can only buy the types and quantities of nutritious foods prescribed by the WIC Program. WIC participants can only use their WIC benefits at stores that are authorized by the Maryland WIC Program.

Authorized stores that sell WIC foods are very important because they:

- Are located statewide to give WIC participants shopping options at a variety of locations; and
- Make sure that WIC customers buy only those foods prescribed to them on their eWIC card.
What is a Vendor?

A vendor is a sole proprietorship, partnership, privately held corporation, or publicly traded corporation operating one or more stores authorized or applying for authorization by the Program to provide approved supplemental foods to participants under a retail food delivery system. Each store operated by a business entity constitutes a separate vendor and must be authorized separately from other stores operated by the business entity. Each store must be in a fixed location.

What is Vendor Authorization?

Vendor authorization means the process by which the Program assesses and enters into a signed agreement with retail food stores or pharmacies that apply or subsequently reapply to be authorized as WIC vendors.

MARYLAND WIC AUTHORIZES THE FOLLOWING TYPES OF VENDORS:

- Food Store - A grocery store or supermarket licensed under Code of Maryland Regulations (COMAR) 10.15.03 that has no pharmacy on its premises under the same ownership.
- Food Store/Pharmacy Combination - A food store and a pharmacy under the same ownership on the same premises.
- Pharmacy only* - An establishment that has been issued a permit to operate by the State Board of Pharmacy and once authorized, can only accept WIC food instruments that prescribe infant formula and WIC-eligible medical foods.
- Commissary - A grocery store located on a military installation and/or owned by the Department of Defense.

*Please note: If the State agency determines that a participant hardship exists, where access to special infant formula and WIC-eligible medical foods are not available through a food/pharmacy combination store, the State agency, at its sole discretion, may authorize a pharmacy only vendor.

The Maryland WIC Program will not authorize stores that expect to receive 50% or more of their eligible food sales from WIC (“eligible food sales” are sales of all SNAP eligible foods intended for home preparation and consumption, as set forth in 7 C.F.R. § 246.2.) Maryland WIC shall monitor store sales after authorization. If a WIC vendor is determined to derive 50% or more of its eligible food sales from WIC, its authorization shall be terminated.
APPLICANT’S MINIMUM QUALIFICATIONS AND OTHER REQUIREMENTS

To be considered for authorization as a WIC vendor, owners of retail food stores, combination food store/pharmacies, or military commissaries must meet the following criteria:

1. Have posted in the store, a current Food Service Facility license issued by the local health department or Department of Environment.

2. Be authorized by the Supplemental Nutrition Assistance Program (SNAP) and may not be currently disqualified or suspended from SNAP.

3. If a food store/pharmacy combination or pharmacy only, have a current permit to operate as a pharmacy issued by the State Board of Pharmacy posted in the store.

4. Operate at a fixed location and be operational at the time of the on-site inspection.

5. Maintain the store premises in a sanitary condition with no evidence of excess trash, vermin, or general lack of cleanliness.

6. Be accessible to persons with disabilities.

7. Comply with applicable federal and State laws and regulations.

8. Have a valid email address that is checked on a regular basis to receive information and updates from the WIC Program.

9. Submit a completed vendor application and two signed Vendor Agreements to the State agency.

10. Have in its store from the time the application is submitted, the Minimum Required Stock.

11. Successfully complete an on-site visit.

12. The highest shelf prices must be competitive and be less than or equal to 125% of the peer group average. Peer groups are made up of stores similar in size and geographic location.

13. Have a management representative attend New Vendor Training.

14. A vendor applicant may not have an owner who has been convicted of fraudulent business practices.

15. Be eWIC capable and therefore, have a certified eWIC system that is able to accept and process Maryland eWIC transactions.
Applicants not meeting the above qualification criterion will be declared unqualified, and the application will be denied. Meeting the criterion above does not constitute authorization to redeem Maryland eWIC food benefits.

Vendors or vendor applicants may not apply for authorization if they:

1. Are currently under disqualification by the State Agency or SNAP;
2. Owe money to the State Agency;
3. Derive, or will derive after commencement of authorization, more than 50 percent of their eligible food sales from food purchased with WIC food instruments; or
4. Are applying to circumvent sanctions imposed by the State Agency on a previous vendor. In order to determine whether the vendor applicant seeks authorization in order to circumvent sanctions imposed on a vendor by the State Agency, the State Agency will review the totality of the circumstances and may consider whether the:

   a. Vendor applicant is related to the former vendor;
   b. Former vendor or a relative of the former vendor is involved in the operation of the store;
   c. Former vendor or a relative of the former vendor is a director, officer, or otherwise part of the entity that will own the store;
   d. Business was sold for fair market value.
VENDOR AUTHORIZATION PROCESS

A. Application and Authorization

WIC Vendor Authorization is a 2 step process:

1. Approval of the application: The State Agency, under current regulations, has 60 days to grant or deny authorization to a vendor applicant who has submitted an application for WIC authorization.

2. Certification of the vendor’s eWIC system: Your eWIC equipment must be tested to ensure it is working properly before your store can accept eWIC benefits.

B. Onsite Inspection and Price Comparison

Once a vendor application has been received, an unannounced on-site visit will be conducted within 60 days of receipt of the application. The on-site visit consists of checking to verify minimum required stock, collecting prices, and verifying information on the application. After an on-site visit is conducted, the prices collected by State Agency staff are analyzed and compared to prices of other stores similar in size and geographic location. These groupings are called “Peer Groups”. Currently, there are three category sizes: small stores; 1 to 3 lanes, medium stores; 4 to 7 lanes, and large stores; 8 or more lanes; and 19 Peer Groups. See COMAR 10.54.03.03 for the peer group breakdown of stores by region and size.

If it is determined that your store’s prices exceed 125% of the Peer Group average, you will be denied authorization, and advised of the denial in writing.

C. eWIC Capability:

WIC vendor applicants are required to be eWIC capable, which means they must have a certified eWIC system that is able to accept and process Maryland eWIC transactions. If your store is new to the Program, you must submit the Maryland eWIC Readiness Assessment form with your application documents to help us determine the equipment you will be using.

Two types of equipment are defined for eWIC capability:

- **Multi-Function Equipment**: A system where eWIC transactions are processed within the store’s existing POS device, eWIC is simply another form of tender. Most chain stores have an integrated, multi-function system such as this.

- **Single Function Equipment**: Also referred to as “WIC only” equipment that is used in addition to a store’s existing cash register system. It works independently from other store equipment and can be used only for eWIC transactions.

If your store does not use multi-function equipment or does not currently process eWIC transactions on single function equipment, you will need to LEASE EQUIPMENT FOR
A MONTHLY FEE from the State’s EBT Processor, or seek out other solutions independently, in order to be eWIC capable. If you choose to lease single function equipment from the State’s WIC EBT Processor, you will be referred to them to complete the lease agreement once your store passes the initial on-site inspection and price validation requirement. At that time, the EBT Processor will outline the leasing costs for the equipment.

Note: The State agency shall not pay for ongoing maintenance, processing fees or operational costs for multi-function vendor systems or single function equipment used to support eWIC unless a vendor is needed for participant access.

D. Minimum Lane Coverage:

This section outlines the requirements for minimum lane coverage (i.e., the minimum number of POS terminals that a vendor must have, based on store size and type). All WIC vendors must have at least one POS terminal, and may be required to have up to four, depending on the store type and volume of monthly WIC redemptions. POS terminals may be single-function (WIC-only) or multi-function (WIC and any other tender types).

Vendors must meet the minimum lane coverage requirements, which are as follows:

- Superstores and supermarkets (which are defined as having at least $2 million annually in gross food sales), based on monthly WIC business:
  - $0 to $11,000: 1 terminal
  - $11,001 to $22,000: 2 terminals
  - $22,001 to $33,000: 3 terminals
  - $33,001 and more: 4 terminals
- All other vendors, based on monthly WIC business:
  - $0 to $8,000: 1 terminal
  - $8,001 to $16,000: 2 terminals
  - $16,001 to $24,000: 3 terminals
  - $24,001 and above: 4 terminals

E. Vendor Training

If all authorization criteria described in A through D above have been met, you will be advised of the next available New Vendor Training class. New Vendor Training is mandatory and provides important instructions for processing eWIC transactions. Once you have attended New Vendor Training, you will be notified in writing that your application has been approved.

F. Certification of eWIC system

Single Function Equipment:

If you are leasing equipment from the State’s eWIC Processor, the equipment will be shipped to you once you have signed your lease agreement and you have attended New Vendor Training. Upon receipt of the equipment, you will need to schedule an appointment with the processor for installation and training on the equipment. After you have received training and before you can accept eWIC benefits, State WIC staff will schedule a visit to test the equipment to ensure it is working properly. Your store will be able to accept eWIC transactions once it has passed certification and all cashiers have been trained.

If you are leasing equipment from another source, please consult with State WIC staff to schedule a visit to test the equipment to ensure it is working properly.

Multi-Function Equipment:

Upon completion of New Vendor Training, your store’s equipment must be certified by State staff. State staff will schedule a visit to test your POS system to ensure it is processing eWIC transactions properly. Your store will be able to accept eWIC transactions once it has passed certification and all cashiers have been trained.

G. Special Consideration for Military Commissaries

The U.S. Department of Agriculture and the U.S. Department of Defense have entered into a Memorandum of Understanding to clarify the basic responsibilities of the State WIC agencies or their designated local agencies and military commissaries authorized to be WIC vendors.

Military Commissaries, as federal entities, are exempt from some State requirements; however, the State WIC Agency may still authorize them as WIC vendors pursuant to CFR §246.12(f)(1) of the federal regulations for the WIC Program, which permits modification of the Vendor Agreement. A commissary will be required to submit application information to the Program by the deadline if one is given.

H. Application Denials

If your store’s application is denied, you will receive written notification of the reason for denial and advised of your right to appeal. If a store is denied authorization three times in a 12-month period, the vendor applicant cannot reapply for WIC authorization until one year (twelve months) after the last denial date.

VENDOR AGREEMENT

Vendor Name: ____________________________________________

Store Name: ____________________________________________

Program Assigned Vendor ID Number: _______________________

Vendor Retail Address: ____________________________________

Vendor Mailing Address (only if different than above):

________________________________________________________________

This Agreement, dated ________________________, is made by and between ________________________, hereinafter called “Vendor,” and the Special Supplemental Nutrition Program for Women, Infants and Children, a unit of the Maryland Department of Health, Prevention and Health Promotion Administration (PHPA), hereinafter called “Program” or “WIC,” and shall commence on ______________________ and shall terminate on ______________________.

(to be filled in by the Program) (to be filled in by the Program)

Purpose:

The purpose of the Program is to provide supplemental foods and nutrition education at no cost to eligible participants. The Program serves as an adjunct to good health care during critical times of growth and development, to prevent the occurrence of health problems and improve the health status of program participants.

The Program operates a retail food delivery system as defined in 7CFR 246.12. This delivery system enables WIC participants to purchase WIC approved foods at the WIC authorized store of their choice.

This Agreement memorializes the requirements for the Vendor’s successful participation in the Program. It articulates the responsibilities of each party including Vendor monitoring, Vendor sanctions, and conditions under which the Agreement may or shall be terminated. The Vendor, in accepting the terms of this Agreement, agrees to support the objectives of the WIC

Program and to participate in the delivery of WIC approved foods at the lowest possible competitive price for the benefit of all individuals authorized to participate in the Program. Therefore, once approved, the WIC Vendor is required to maintain its qualifications and meet all federal and state Program requirements in order to maintain this Agreement in force for its entire term.

Now, therefore, in consideration of the mutual promises and covenants herein contained, the parties agree as follows:

**Provisions**

A. **Duration of Agreement:**

This Agreement, which concerns the store’s or entity’s authorization to operate as a WIC Vendor, shall continue in effect until the above-stated termination date or unless it is terminated as provided in this Agreement.

B. **Subsequent Agreement Changes:**

The Program reserves the unilateral right to order in writing changes in the work within the scope of the Agreement and the unilateral right to order in writing a temporary stop or delay in performance. The Program may amend this Agreement upon 15 days’ notice to the Vendor in order to comply with any new Federal or State laws or regulations or policies issued by the USDA. In all other instances, the Agreement may only be modified as the Program and the Vendor mutually agree in writing.

C. **Governing Law:**

The provisions of this Agreement are governed by Maryland law. All disputes arising out of this Agreement will be handled in Maryland courts.

D. **Not a License/Property Interest:**

This Agreement does not constitute a property interest. If the Vendor wishes to continue to be authorized beyond the period of its current Agreement, the vendor must reapply for authorization. If a Vendor is disqualified from being a WIC vendor, the Program will terminate this Agreement, and the Vendor will have to reapply in order to be authorized after the disqualification period has ended. In all cases, the Vendor’s new application will be subject to the Program’s vendor selection criteria and any vendor limiting criteria in effect at the time of the reapplication.
PLEASE RETURN TWO SIGNED COPIES OF THE VENDOR AGREEMENT!

E. Non-Transferability:

This Agreement is not transferable. Any change in ownership or rights of ownership, cessation of operation, or relocation of a store terminates this Agreement and the Vendor’s authorization to operate as a WIC vendor is ended. Termination of this Agreement due to change in ownership or relocation of a store may not be appealed.

The relocation of a WIC store terminates this Agreement, and the Vendor must reapply for a new period of authorization and be authorized as a WIC vendor by the WIC Program before it may operate as a WIC vendor at the new location.

F. Renewability:

This contract is in effect for the period indicated on page 1. Neither the Program nor the Vendor is under any obligation to renew this contract. Expiration of this contract shall not be subject to appeal or administrative review.

G. Limitation Policy:

Payment obligation by the Program is contingent upon the availability of Federal or State funds allocated for payment of such an obligation. If funds are not available for continuance of service, this Agreement shall become void, and services shall be terminated by the Program. The Program shall notify the Vendor at the earliest possible time of any service that will or may be affected by lack of availability of Federal or State funds.

H. Telecommunication Failures:

The Program is not responsible for the failure of telecommunications between Vendor and the Program’s eWIC Processor.

I. Responsibilities of the Vendor:

The Vendor agrees that the documents listed are hereby incorporated into this Agreement and made an integral part thereof:

1. Maryland WIC Program Vendor Application Packet

2. Maryland WIC Program Vendor Manual

3. Maryland WIC Program State Plan of Operations

L. **Pharmacy Only Vendors:**

A Pharmacy Only vendor may provide infant formula only. If the Vendor is contracted to provide infant formula only, any reference to “WIC approved foods” in this contract shall be interpreted as “infant formula only.” All other provisions in this contract remain the same.

M. **Compliance with Vendor Selection Criteria:**

the Vendor from authorization for reasons of Program abuse, failing to adhere to WIC policies and procedures, failing to adhere to applicable State and Federal statutes and regulations, the WIC Vendor Manual, the State Plan of Operations, and/or failing to adhere to the provisions of this Agreement. The Program may also impose a civil monetary penalty in accordance with the formula outlined in 7 CFR § 246.12 and COMAR 10.54.03.19, in lieu of disqualification.

The Vendor shall give 30 days’ notice to the State agency of a store's closing, relocation, or change in ownership. The Vendor must notify the Program immediately when a store cannot operate due to fire or other natural disaster. Should the Vendor temporarily close the Vendor’s business for any reason and the business is able to reopen within thirty (30) days, the Vendor shall retain the Vendor’s WIC authorization. However, if more than thirty (30) days are needed to reopen, the Program shall terminate this Agreement, and the Vendor must reapply for authorization and be approved as a WIC vendor in order to operate as a WIC vendor. The Vendor shall notify the Program of any temporary closures at least 5 days in advance of the closure.

If this contract is terminated due to voluntary withdrawal or store closure, such termination is not subject to appeal. In accordance with Federal Regulations, this contract shall not be eligible for termination due to voluntary withdrawal if it is determined by the Program that such termination is for the purpose of circumventing a sanction.

A disqualification from the SNAP Program or disqualification from any other FNS Program will result in an automatic termination from the WIC Program for the same, but not necessarily concurrent, amount of time. A vendor disqualification resulting from the SNAP Program disqualification is not subject to administrative or judicial review.

The Program may disqualify a Vendor who has been issued a civil money penalty under the SNAP Program pursuant to 7 CFR § 246.12 of the WIC Program Regulations.

Notice of the Vendor’s termination of or disqualification from authorization from the WIC Program will be forwarded to the United States Department of Agriculture (USDA) and SNAP, and may be grounds for disqualification of the Vendor from other FNS Programs, including the SNAP. Such disqualification may not be subject to administrative or judicial review under the SNAP.

O. **Administrative Review Procedures:**

Except as provided elsewhere in this Agreement, the Vendor has the right to appeal a Program decision pertaining to a denial of application for authorization or a termination of or disqualification from authorization within 10 days of the date of the Vendor’s receipt of the notice of denial or notice of termination.
PLEASE RETURN **TWO SIGNED** COPIES OF THE VENDOR AGREEMENT!

Vendors who have willfully misapplied, stolen, or fraudulently obtained WIC funds shall be subject to a fine of not more than $25,000.00, imprisonment for not more than five years or both. If the value of the funds is less than $100.00, then the penalties are a fine of not more than $1,000.00, imprisonment for not more than one year or both.

**Q. Conflict of Interest:**

The Program will terminate the Agreement if the Program identifies a conflict of interest. **S. Vendor Monitoring:**

The monitoring may include, but are not limited to, random monitoring, educational buys, inventory audits and covert compliance buys without the knowledge of the vendor. The Program has sole discretion as to whether or not to notify a vendor in writing when an investigation reveals an initial violation for which a pattern of violations must be established in order to impose a sanction pursuant to 7 CFR § 246.12(l)(3) and COMAR 10.54.03.16.

Payment may be denied for WIC food benefits not properly completed, transacted or redeemed. Should improper use or redemption of WIC food benefits be determined following payment, claims may be made against the Vendor for amount(s) equal to the total price for which the vendor received payment on the WIC food benefit. In addition to denying a payment or assessing a claim, the Program may sanction the Vendor for vendor overcharges or other violations or errors in accordance with the Vendor Sanction Policy.

The Vendor must maintain prices for WIC approved foods which are competitive with other similar vendors in their peer group. The Program shall not pay the Vendor more than the competitive price limitations applicable to the Vendor. Store Name: _______________________________________________

Program Assigned Vendor ID Number: ___________________________

Vendor Retail Address: ________________________________________

Vendor Mailing Address (only if different than above):

__________________________________________________________________

This Agreement, dated ______________________, is made by and between ______________________, hereinafter called “Vendor,” and the **Special Supplemental Nutrition Program for Women, Infants and Children**, a unit of the Maryland Department of Health, Prevention and Health Promotion Administration (PHPA), hereinafter called “Program” or “WIC,” and shall commence on _______________ and shall terminate on _______________.

(to be filled in by the Program) (to be filled in by the Program)

**Purpose:**

The purpose of the Program is to provide supplemental foods and nutrition education at no cost to eligible participants. The Program serves as an adjunct to good health care during critical times of growth and development, to prevent the occurrence of health problems and improve the health status of program participants.

The Program operates a retail food delivery system as defined in \(7\) CFR 246.12. This delivery system enables WIC participants to purchase WIC approved foods at the WIC authorized store of their choice.

This Agreement memorializes the requirements for the Vendor’s successful participation in the Program. It articulates the responsibilities of each party including Vendor monitoring, Vendor sanctions, and conditions under which the Agreement may or shall be terminated. The Vendor, in accepting the terms of this Agreement, agrees to support the objectives of the WIC

Program and to participate in the delivery of WIC approved foods at the lowest possible competitive price for the benefit of all individuals authorized to participate in the Program. Therefore, once approved, the WIC Vendor is required to maintain its qualifications and meet all federal and state Program requirements in order to maintain this Agreement in force for its entire term.

Now, therefore, in consideration of the mutual promises and covenants herein contained, the parties agree as follows:

**Provisions**

A. **Duration of Agreement:**

This Agreement, which concerns the store's or entity's authorization to operate as a WIC Vendor, shall continue in effect until the above-stated termination date or unless it is terminated as provided in this Agreement.

B. **Subsequent Agreement Changes:**

The Program reserves the unilateral right to order in writing changes in the work within the scope of the Agreement and the unilateral right to order in writing a temporary stop or delay in performance. The Program may amend this Agreement upon 15 days' notice to the Vendor in order to comply with any new Federal or State laws or regulations or policies issued by the USDA. In all other instances, the Agreement may only be modified as the Program and the Vendor mutually agree in writing.

C. **Governing Law:**

The provisions of this Agreement are governed by Maryland law. All disputes arising out of this Agreement will be handled in Maryland courts.

D. **Not a License/Property Interest:**

This Agreement does not constitute a property interest. If the Vendor wishes to continue to be authorized beyond the period of its current Agreement, the vendor must reapply for authorization. If a Vendor is disqualified from being a WIC vendor, the Program will terminate this Agreement, and the Vendor will have to reapply in order to be authorized after the disqualification period has ended. In all cases, the Vendor's new application will be subject to the Program's vendor selection criteria and any vendor limiting criteria in effect at the time of the reapplication.
PLEASE RETURN **TWO SIGNED** COPIES OF THE VENDOR AGREEMENT!

E. **Non-Transferability:**

This Agreement is not transferable. Any change in ownership or rights of ownership, cessation of operation, or relocation of a store terminates this Agreement and the Vendor’s authorization to operate as a WIC vendor is ended. Termination of this Agreement due to change in ownership or relocation of a store may not be appealed.

The relocation of a WIC store terminates this Agreement, and the Vendor must reapply for a new period of authorization and be authorized as a WIC vendor by the WIC Program before it may operate as a WIC vendor at the new location.

F. **Renewability:**

This contract is in effect for the period indicated on page 1. Neither the Program nor the Vendor is under any obligation to renew this contract. Expiration of this contract shall not be subject to appeal or administrative review.

G. **Limitation Policy:**

Payment obligation by the Program is contingent upon the availability of Federal or State funds allocated for payment of such an obligation. If funds are not available for continuance of service, this Agreement shall become void, and services shall be terminated by the Program. The Program shall notify the Vendor at the earliest possible time of any service that will or may be affected by lack of availability of Federal or State funds.

H. **Telecommunication Failures:**

Offer Program participants the same courtesies offered other customers, including giving rewards to WIC participants for purchases made with WIC food instruments if rewards are given for cash purchases, allowing the use of store bonus or savings cards which provide price savings, and offering WIC customers in store promotions such as "buy one, get one free." However, the Vendor may not offer incentive items solely to WIC participants.

27. Provide to WIC representatives access to all program-related records in accordance with 7 CFR § 246.12(h) (3) (xv) of the WIC Regulations.

28. Surrender any WIC food instruments being stored or held on the Vendor’s premises to WIC personnel or contractors upon request.

29. Treat all Program staff and contractors with respect and courtesy. The Vendor shall not verbally abuse, threaten, retain or hold, against their will, any Program staff or contractors. Abuse of any kind will result in the termination of this agreement.

30. Maintain accounting and inventory records as described in J for a period of three (3) years.

J. **Purchase and Inventory Record Requirements:**

   Accounting records means legible records that show actual numbers of eligible food sales from the Vendor and not an estimated number or percentage of eligible food sales; and actual WIC sales for each individual day. Records shall include but are not limited to sales and use tax returns, U.S. individual/business tax returns, daily sales journals or daily ledgers, sales receipts or register tape, inventory invoices, all of which include a breakdown of sales between the Supplemental Nutrition Assistance Program (SNAP) eligible food sales and non-eligible food sales.

   Inventory records or invoices shall include the following:

   1. Name and address of the supplier or wholesaler
   2. Date of the purchase
   3. Description of the exact items purchased, including, size, stock number, and UPC code (if available).
   4. Unit price of the items
   5. Total quantity purchased

   The following criteria shall also be met regarding the acceptability of inventory records or invoices for WIC review purposes.
PLEASE RETURN **TWO SIGNED** COPIES OF THE VENDOR AGREEMENT!

1. Receipts, which do not completely describe the actual item, shall have computer codes, which can be verified by contacting the store at which the merchandise was purchased.

2. All receipts from purchases at retail establishments shall be machine dated by the establishment. Hand dated retail store receipts are not acceptable.

3. Affidavits, Statements of Fact and oral statements shall not be accepted as evidence of inventory. Only purchase invoices or retail receipts as described in this section shall be accepted and constitute evidence of inventory.

4. Inventory invoices for infant formula shall only be accepted from those wholesalers, distributors, and retailers listed on Maryland’s Infant Formula Directory

**K. State Provided eWIC equipment:**

State provided Point of Sale (POS) terminals used to support the WIC Program shall be deployed in accordance with the minimum lane coverage provisions of CFR §246.12(z)(2). The State agency may remove excess terminals if actual redemption activity warrants a reduction consistent with the redemption levels outlined in CFR §246.12(z)(2)(i) and (z)(2)(ii).

**L. Pharmacy Only Vendors:**

A Pharmacy Only vendor may provide infant formula only. If the Vendor is contracted to provide infant formula only, any reference to “WIC approved foods” in this contract shall be interpreted as “infant formula only.” All other provisions in this contract remain the same.

**M. Compliance with Vendor Selection Criteria:**

The Program may reassess the Vendor at any time during the Agreement period using the current vendor selection criteria. The Program will terminate the Agreement if the Vendor fails to meet the current vendor selection criteria.

The Program will immediately terminate this Agreement if it determines at any time during the Agreement that the Vendor provided false information in connection with its application for authorization.

**N. Expiration, Termination and Disqualification:**

Either the Program or the Vendor may terminate this Agreement for cause after providing written notice to the other party at least 15 days in advance of the termination date unless a different notice period for termination by the Program is specified in this Agreement. The Program may terminate the Vendor’s authorization to operate as a WIC vendor or disqualify
PLEASE RETURN **TWO SIGNED** COPIES OF THE VENDOR AGREEMENT!

the Vendor from authorization for reasons of Program abuse, failing to adhere to WIC policies and procedures, failing to adhere to applicable State and Federal statutes and regulations, the WIC Vendor Manual, the State Plan of Operations, and/or failing to adhere to the provisions of this Agreement. The Program may also impose a civil monetary penalty in accordance with the formula outlined in 7 CFR § 246.12 and COMAR 10.54.03.19, in lieu of disqualification.

The Vendor shall give 30 days’ notice to the State agency of a store's closing, relocation, or change in ownership. The Vendor must notify the Program immediately when a store cannot operate due to fire or other natural disaster. Should the Vendor temporarily close the Vendor's business for any reason and the business is able to reopen within thirty (30) days, the Vendor shall retain the Vendor’s WIC authorization. However, if more than thirty (30) days are needed to reopen, the Program shall terminate this Agreement, and the Vendor must reapply for authorization and be approved as a WIC vendor in order to operate as a WIC vendor. The Vendor shall notify the Program of any temporary closures at least 5 days in advance of the closure.

If this contract is terminated due to voluntary withdrawal or store closure, such termination is not subject to appeal. In accordance with Federal Regulations, this contract shall not be eligible for termination due to voluntary withdrawal if it is determined by the Program that such termination is for the purpose of circumventing a sanction.

A disqualification from the SNAP Program or disqualification from any other FNS Program will result in an automatic termination from the WIC Program for the same, but not necessarily concurrent, amount of time. A vendor disqualification resulting from the SNAP Program disqualification is not subject to administrative or judicial review.

The Program may disqualify a Vendor who has been issued a civil money penalty under the SNAP Program pursuant to 7 CFR § 246.12 of the WIC Program Regulations.

Notice of the Vendor’s termination of or disqualification from authorization from the WIC Program will be forwarded to the United States Department of Agriculture (USDA) and SNAP, and may be grounds for disqualification of the Vendor from other FNS Programs, including the SNAP. Such disqualification may not be subject to administrative or judicial review under the SNAP.

O. **Administrative Review Procedures:**

Except as provided elsewhere in this Agreement, the Vendor has the right to appeal a Program decision pertaining to a denial of application for authorization or a termination of or disqualification from authorization within 10 days of the date of the Vendor’s receipt of the notice of denial or notice of termination.
PLEASE RETURN TWO SIGNED COPIES OF THE VENDOR AGREEMENT!

P. **Penalty:**

In accordance with 7 CFR § 246.12(h) (3) (xx) and 7 CFR § 246.23(d), a vendor that commits fraud or abuse of the WIC Program is liable for prosecution under applicable Federal, State and Local laws. Vendors who have willfully misapplied, stolen, or fraudulently obtained WIC funds shall be subject to a fine of not more than $25,000.00, imprisonment for not more than five years or both. If the value of the funds is less than $100.00, then the penalties are a fine of not more than $1,000.00, imprisonment for not more than one year or both.

Q. **Conflict of Interest:**

The Program will terminate the Agreement if the Program identifies a conflict of interest. It is unlawful for any State officer, employee, or agent to participate personally in his official capacity through decision, approval or disapproval, recommendation, advice, or investigation in any contract or other matter in which he, his spouse, parent, minor child, brother, or sister has a financial interest or to which any firm, corporation, association, or other organization in which he has a financial interest or in which he is serving as an officer, director, trustee, partner, or employee, or any person or organization with whom he is negotiating or has any arrangement concerning prospective employment, is a party, unless such officer, employee or agent has previously complied with the provisions of State Government Section 15-501 et seq. of the Annotated Code of Maryland.

R. **Responsibilities of the Department:**

The Program Agrees to:

1. Advise participants of the location or locations of the store or stores that the Vendor has been authorized to operate under this Agreement.

2. Notify the Vendor of any changes in Program regulations and operating procedures.

3. Undertake appropriate monitoring, auditing, and review of the Vendor as required by Federal and State Program rules, regulations, policies, and procedures.

4. Provide prompt and courteous assistance to the Vendor when problems or questions arise concerning the Vendor’s operation as a WIC Vendor.

5. Maintain records associated with this Agreement.

6. Impose sanctions in accordance with the provisions of this Agreement, the WIC Vendor Manual, State Plan of Operations, and federal and state regulations and laws.
PLEASE RETURN TWO SIGNED COPIES OF THE VENDOR AGREEMENT!

7. Disqualify the Vendor for reasons of Program abuse or violations of this Agreement, the WIC Vendor Manual, the State Plan of Operations, or federal or state WIC regulations and laws, or disqualification from the SNAP Program or from any other FNS Program.

8. After providing an opportunity to correct or justify such payments, deny payment to the Vendor for improperly processed eWIC transactions and demand refunds for payments already made on improperly processed eWIC transactions.

S. **Vendor Monitoring:**

The Program, including its representatives at local jurisdiction WIC offices and contractors, may conduct monitoring of the Vendor to determine the Vendor’s compliance with applicable federal and state policies and regulations, the WIC Vendor Manual, and the WIC State Plan of Operations. The monitoring may include, but are not limited to, random monitoring, educational buys, inventory audits and covert compliance buys without the knowledge of the vendor. The Program has sole discretion as to whether or not to notify a vendor in writing when an investigation reveals an initial violation for which a pattern of violations must be established in order to impose a sanction pursuant to 7 CFR § 246.12(l)(3) and COMAR 10.54.03.16.

T. **Vendor Training:**

The Program has sole discretion to designate the date, time, and location of all interactive Vendor training, and the Vendor will be provided with at least one alternative date on which to attend such training. A vendor with a high rate of errors, rejected checks, complaints or other minor violations, shall attend an additional WIC training as required by the Program.

U. **Vendor Payments and Claims:**

The Program, subject to the terms of this contract, shall provide for the payment for WIC food benefits validly transacted and redeemed. Payment may be denied for WIC food benefits not properly completed, transacted or redeemed. Should improper use or redemption of WIC food benefits be determined following payment, claims may be made against the Vendor for amount(s) equal to the total price for which the vendor received payment on the WIC food benefit. In addition to denying a payment or assessing a claim, the Program may sanction the Vendor for vendor overcharges or other violations or errors in accordance with the Vendor Sanction Policy.

The Vendor must maintain prices for WIC approved foods which are competitive with other similar vendors in their peer group. The Program shall not pay the Vendor more than the competitive price limitations applicable to the Vendor. Competitive price limitations will be determined by the maximum price calculated for each approved food item. If the requested
PLEASE RETURN **TWO SIGNED** COPIES OF THE VENDOR AGREEMENT!

price exceeds the maximum price, vendors will be paid the maximum price. The Vendor will not be sent any notification when this occurs.

The Program, as well as officers, agents, and employees of the Program, are not responsible for losses incurred by the Vendor as a result of investigation into an alleged violation, termination of or disqualification from authorization, and/or denial of application for authorization. The Vendor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of a termination. Pursuant to CFR § 246.12(m) vendor banking fees shall not be charged to the Program.

The State agency shall not pay for ongoing maintenance, processing fees or operational costs for multi-function vendor systems or single function equipment used to support eWIC. However, the State agency shall pay ongoing maintenance and operational costs if the vendor was provided single-function equipment by the State agency prior to statewide eWIC implementation (July 2017) or if a vendor is needed for participant access.

The vendor shall not charge to the State agency any third-party commercial processing costs and fees incurred by the vendor from EBT multi-function equipment. Commercial transaction processing costs and fees imposed by a third-party processor that the vendor elects to use to connect to the EBT system of the State shall be borne by the vendor. The State agency shall not pay or reimburse the vendor for interchange fees related to eWIC transactions.

The State Agency hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Age Discrimination Act of 1975 (42 U.S.C. 610 et seq.); all provisions required by the implementing regulations of the Department of Agriculture; Department of Justice Enforcement Guidelines, and FNS directives and guidelines to the effect that no person shall, on the ground of race, color, national origin, age, sex, or handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity for which the Agency receives Federal financial assistance from FNS; and hereby gives assurance that it will immediately take measures necessary to effectuate this agreement.

By providing this assurance, the State Agency agrees to compile data, maintain records and submit reports as required to permit effective enforcement of the nondiscrimination laws, and to permit Department personnel during normal working hours to review such records, books and accounts as needed to ascertain compliance with the non--discrimination laws. If there are any violations of this assurance, the Department of Agriculture shall have the right to seek judicial enforcement of this assurance.

Revised January 2019
WIC Authorized Foods List

EFFECTIVE OCTOBER 2018
Nutritious foods like what you get from WIC can help your family be healthy. Eating the right foods can help babies and children grow and learn better.

**WIC foods include:**
- **Fruits and Vegetables** for vitamins and minerals to help your body stay healthy
- **Dairy** products that provide calcium and vitamin D for strong bones
- **Protein** to build muscles and organs
- **Whole Grains** for fiber and vitamins
- **Cereal** for iron and other vitamins for healthy blood

**You will still need to buy other foods.**
WIC foods are meant to add to what you already buy. WIC staff can give you referrals for other programs that can help you feed your family.

**WIC fraud prevention is everyone’s responsibility!**
By following these rules you help the Maryland WIC Program help you and others.
- **Do NOT** sell or give away your WIC foods and benefits.
- **Do NOT** buy or try to buy food items that are not WIC approved with your benefit.
- **Do NOT** return your WIC foods to the store for a refund or store credit.
- Report stores and other WIC participants that you know are not following the rules to your Local WIC Agency.
