Better nutrition for a brighter future

MARYLAND WOMEN, INFANTS & CHILDREN PROGRAM

WIC AUTHORIZED FOODS LIST EFFECTIVE OCTOBER 2014

Bring this list when you shop for WIC foods!
To have a healthy baby, you need to eat right. The way you eat can affect how well your baby grows. A child needs the right foods to grow strong and be ready to learn.

WIC foods are packed with nutrients like:
- Protein to build muscles and organs
- Calcium and vitamin D for strong bones
- Iron for healthy blood
- Vitamins to help the body work

WIC foods are also low in sugar and fat.

WIC foods are for you or your child only. They help you get what you need to stay healthy.

You’ll still need to buy other foods. WIC foods are meant to add to what you already eat.

When money is tight, it’s hard to eat the way you should. WIC staff can give you tips to get the most food value for the money. You can also get ideas for quick and low cost meals and snacks.

WIC Fraud Prevention Is Everyone’s Responsibility!

By following these rules, you help the Maryland WIC Program help you and others.

❌ Do not sell or give away your WIC Foods.
❌ Do not sell or give away your WIC checks.
❌ Do not buy or attempt to buy food items that are not WIC allowed.
❌ Do not return your WIC foods to the store for a refund or store credit.
✔️ Report stores or other WIC participants that you know are not following the rules to your Local WIC Agency.
How to shop for WIC foods

WIC gives you checks to buy your WIC foods. Here are the steps you must follow:

1. Shop at a WIC approved store. Look for the **WIC Accepted Here** sign.

2. Decide what checks to spend. Look at the dates. You can only spend a check on or between the **First and Last Dates to Spend**.

3. Take your checks, WIC ID Folder, and Authorized Foods List to the store.

4. Buy only the foods shown on the checks and WIC Authorized Foods List.

5. Use a checkout lane with a cashier. **DO NOT** use a cash-only express or self-checkout lane.

6. Separate foods into groups for each check. Keep non-WIC items separate.

7. Give the cashier your WIC ID Folder and each check you are spending.

8. Let the cashier ring up the foods, one check at a time.

9. Sign each check **AFTER** the cashier enters the total price. Be sure the price is correct.

10. Get all WIC sales receipts and your ID Folder from the cashier.

Your “Steps for Using Your WIC Checks” leaflet is a handy guide for showing these steps!
